Box 242-A, Yale Station
New Haven, Conn.

Dear Karl:

Congratulations to the entire new executive board and staff of WYBC. It will be a pleasure to work with you on February 15th and in the future.

Our Friday night broadcast will be from 7:00-11:00. We usually have one minute station breaks on the hour and thirty second breaks on the half-hour. Your shows should be typical of your YBC broadcast, with all your original ideas and variety musical programs. We are leaving determination of that night's log up to you.

When your schedule is completed, will you please send a copy to our Program Director, Bunny Day, Martha Wilson House. We would like it as soon as possible so that sufficient publicity will get to our campus.

We are looking forward to working with you all on the 15th.

*Lotsa pretty

Hope you're coming too.
Best,
Marilyn Moss*

Very truly yours,
